REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

There was no prior art found by the examiner that suggested modification or combination with the cited art so as to satisfy the combination of all the limitations in claims 1 and 32.

As to claim 1, the prior art of record, taken alone or in combination, fails to disclose or render limitations **“a first and second areas having different pitches”, “a first and second reading means for reading the positional information recorded on the first and second area, respectively”, “a first and second phase detecting means for detecting a first phase and second phase on the basis of the positional information”, “a phase comparator for comparing the first and second phase with each other” and “a signal selecting means for generating a plurality of signals according to a result of the comparison and selecting an arbitrary one of the plurality of signals on the basis of the positional information read by the first reading”**, in combination with the rest of the limitations of claim 1.

As to claim 32, the prior art of record, taken alone or in combination, fails to disclose or render the combination of **“a phase difference detector”, “a reference phase difference recorder”, “a phase difference coincidence detector” and “a phase data recorder”** as now claimed in claim 32.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
